Shot Gun Start  
Light Dinner to Follow

## OWWEA ANNUAL CHARITY GOLF TOURNAMENT Royal Niagara Golf Club, Niagara-on-the-Lake

The Ontario Water Works Equipment Association (OWWEA) is pleased to announce their 11th annual charity golf tournament in conjunction with Ontario's Water Conference & Trade Show. The chosen water industry charity this year is Water for People Canada.

Each year, the association puts together a wonderful day of golf that serves as a great cap to the annual conference and trade show. The tournament was held in Niagara Falls last year and raised \$9,860.00 for Water for People Canada.

The venue for this year's tournament, Royal Niagara Golf Club, a contemporary design that uses the spectacular natural terrain of the Niagara Escarpment to create a stunning layout. Nestled between the 120 year old Welland Canal, the beautiful Bruce Trail and the Niagara Escarpment it has become one of the "must play" courses on an international standard. This 27 hole facility has also been host to prestigious tournaments such as the International Junior Team Championship and the Telus Skins Game that featured Sergio Garcia, Veejay Singh, John Daly and Ian Legatt.

More information can be found at:  
<http://www.kaneffgolf.com/public-golf/royal-niagara/>

This year's tournament will be a best ball shotgun tournament and will feature the 8th Muni Cup, which will be awarded to the lowest score team consisting of 2 or more municipal delegates. Last year's champions hail from the City of London for the fifth year in a row!

Our selected charity, Water for People Canada, helps people in developing countries improve their quality of life by supporting the development of locally sustainable drinking water resources, sanitation facilities, health and hygiene education programs.
