

12TH ANNUAL

OWWEA CHARITY GOLF TOURNAMENT

MONDAY, MAY 6, 2019

The Ontario Water Works Equipment Association (OWWEA) is pleased to announce their 12th annual charity golf tournament in conjunction with Ontario's Water Conference & Tradeshow. The chosen water industry charity this year is Water For People Canada.

This tournament is a terrific way to kick off the golf season and the annual Conference & Tradeshow. The association will be looking to build upon the phenomenal success of last year's tournament in Niagara Falls, which raised \$7,505 for Water For People Canada.

The venue for this year's tournament, Stonebridge Golf & Country Club, promises to provide the stage for another great day. With a wonderful blend of parkland and links land, the course will offer a terrific opportunity to network with fellow industry friends and enjoy a premium golf experience for all levels of golfers.

More information can be found at www.stonebridgegc.com

This year's best ball shotgun tournament will feature the 9th Muni Cup which will be awarded to the lowest score team consisting of 2 or more municipal delegates. Congratulations to last year's winning team from DiCan!

Water For People is a great charity that helps people in developing countries improve their quality of life by supporting the development of locally sustainable drinking water resources, sanitation facilities, health and hygiene education programs.
