NOTICE OF CONFERENCE CANCELLATION

Due to the COVID-19 escalation and the recent measures requested by Health Canada and the Federal and Provincial Governments the Executive has decided to cancel our Spring 2020 Workshop scheduled for Wednesday April 15th and Thursday April 16th, 2020 at Deerhurst Resort.

We fully expect to host the fall conference at Blue Mountain in the Town of the Blue Mountains on October 28th and 29th.

Refunds will be processed for those who have pre-registered.

Thank you for your patience and support as we all work through this together. We apologize for any inconvenience.

Kind Regards
GBWWA Executive
